Dear Dr. Valkenburg:

Enclosed is your new State of Colorado Chemistry Certificate and status report of certified analytes and approved methods dated February 1, 2018, which is effective through January 31, 2019. Certification is based on reciprocity from your Accrediting Authority, NELAC Florida Department of Health and your successful participation in recent Water Supply Proficiency Testing Studies for your requested and approved parameters.

This Certification must be renewed by **January 2019**. Renewal application, requirements and fee structure are available online.

Thank you for your interest in maintaining reciprocal certification with the State of Colorado. Should you have any questions or concerns, please feel free to contact me at (303) 692-3045.
